Net Rep 2.0 represents the next step in browser based account access for retail sales advisors. Users of the original Net Rep will find much of the same functionality delivered in this product with new functionality added. The design has been also been completely overhauled, giving Net Rep 2.0 a contemporary look and feel.

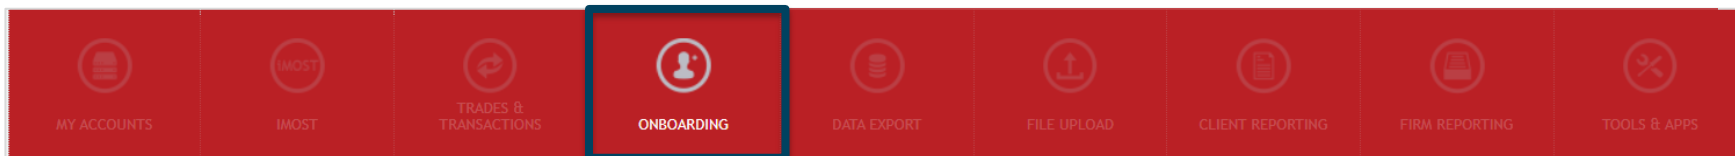

Some of the enhancements in Net Rep 2.0 include:

- Additional reporting capabilities such as upcoming client birthdays and RRSP foreign content summaries.
- The ability to sort displayed data by the column of your choice.
- Transaction history for one full year. Also, you can now filter your client's transaction history for specific dates and transactions.
- The addition of Client Profile screens that capture KYC information from their account application.
- Banking details for any standing EFT & FPP instructions the client may have in place.
- On-line cheque requests

Let's Try Them Out!

The screenshot shows the COMPASS web application interface. At the top, the COMPASS logo is on the left, and user information (Welcome, Dan Hall) and navigation links (My Profile, Français, Contact Us, Sign Out) are on the right. Below this is a secondary navigation bar with links for Secured Messaging, COMPASS_SUPPORT, and a phone number. The main navigation bar includes categories: ADMINISTRATION, RESEARCH & ANALYSIS, INVESTMENT PRODUCTS, and NBIN INTERNAL. A search bar for documents is also present. The main content area features a grid of icons for various functions: MY ACCOUNTS, IMOST, TRADES & TRANSACTIONS, ONBOARDING, DATA EXPORT, FILE UPLOAD, CLIENT REPORTING, FIRM REPORTING, and TOOLS & APPS. Below this grid, there are sections for Scheduled Payments and Largest Transactions. The Scheduled Payments section includes a table with columns for Account Number, Next Recurring Date, Currency, and Amount. The Largest Transactions section includes a table with columns for BUY, SELL, JOURNAL IN, and JOURNAL OUT. On the right side of the interface, there are two callouts: one for NBIN Academy (a blue box with the NBIN Academy logo) and one for Compass WalkMe (a blue box with a question mark icon and the text 'Compass Walk Me').
