# Introduction to National Bank of Canada & NBIN

---

# What's Your Story?

# Agenda

---

- > Introduction to the NEO Program
- > Introduction to NBC
- > Introduction to NBIN
- > Rewards & Recognition Programs

# Learning Objectives

---

By the end of the New Employee Onboarding (NEO) program, I will be able to:

- > Systematically apply communication and influence strategies to effectively build and maintain relationships with clients and internal teams.
- > Locate and consult resources to guide my clients on the top service requests and provide “first-time right.”
- > Navigate NBIN platforms to answer requests and coach my clients.
- > Identify the main features of securities and registered products.

---

# Introduction to the NEO Program

---

# Evaluation Criteria

---

## Training Evaluation

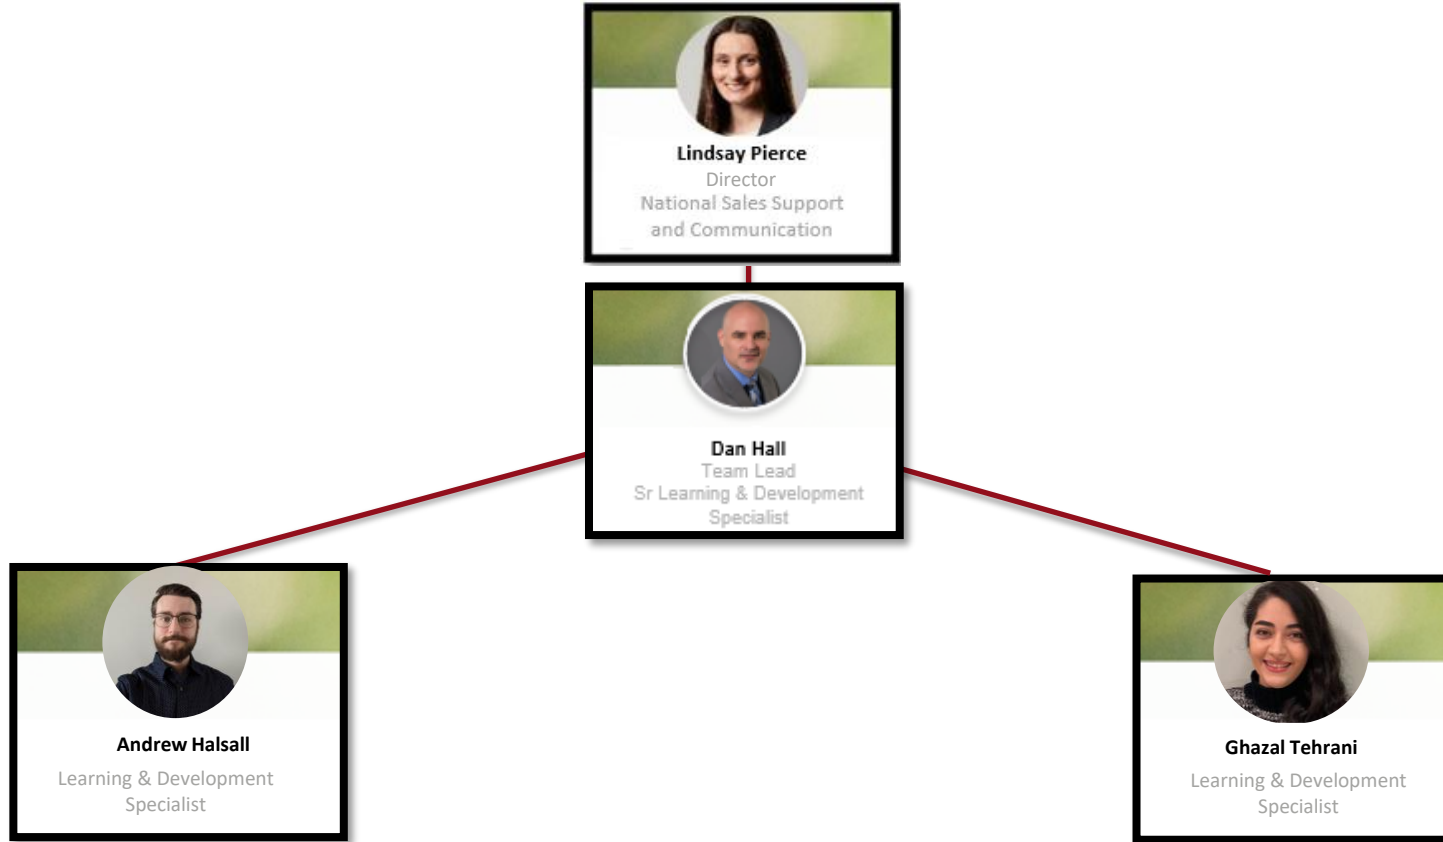

- > All participants:
  - > Up to 4 quizzes (based on registrations)
  - > Attendance & punctuality
  - > Participation & Respect
  - > Open to receiving & applying feedback

*NEO January 2023*

**Patrick Primerano**  
President of NBIN

# NBIN – Organizational Chart

# NBIN – Vision

---

To be more than a  
custodian and carrying  
broker and recognized as a  
**key strategic** and  
**technology partner.**

# NBIN – Mission

---

We have a passion for finding innovative solutions to complex problems, as well as **partnering** and helping independent wealth management firms to **grow** their business.

# NBIN – Objective

---

*Your Vision, Your Way*

- > Provide support and services that allow firms to achieve ~~their vision, their way.~~
- > Added value we provide clients:
  - > **Scale**
  - > **Expertise**
  - > **Security**
  - > **Service Model**

# NBIN – Service Model

We collaborate with our clients to understand their business and help them grow and prosper.

# NBIN – NEW Service Model

---

## NBIN's Enhanced Service Model

### Our Commitment

- Deliver a consistent, responsive, and easy-to-navigate service experience
- Continuously improve based on advisor feedback

### How We're Responding

- NBIN's Enhanced Service Model Support teams organized by area of expertise
- Direct access to dedicated specialists
- Focus on efficient, first-time resolution

# Specialist Teams

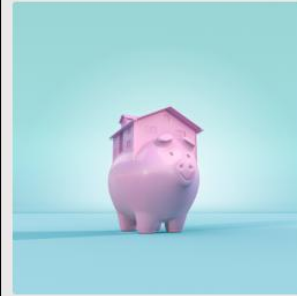

Dedicated teams supporting:

Service Team – Account Administration

Service Team – Transfers

Service Team – Registered Plans

Admin Hub

Service Team – Mutual Funds

Service Team – General Service

Service Team – Estates

# Benefits

---

What does this mean for clients?

By connecting clients directly with specialists, they benefit from:

- Right-the-first-time outcomes
- End-to-end ownership and accountability
- Deeper expertise through specialization
- A more proactive, insight-driven service experience

# How to contact specialist teams

---

- Telephony system routes calls to the right specialist team
- Single designated email address

# NBIN – Goals

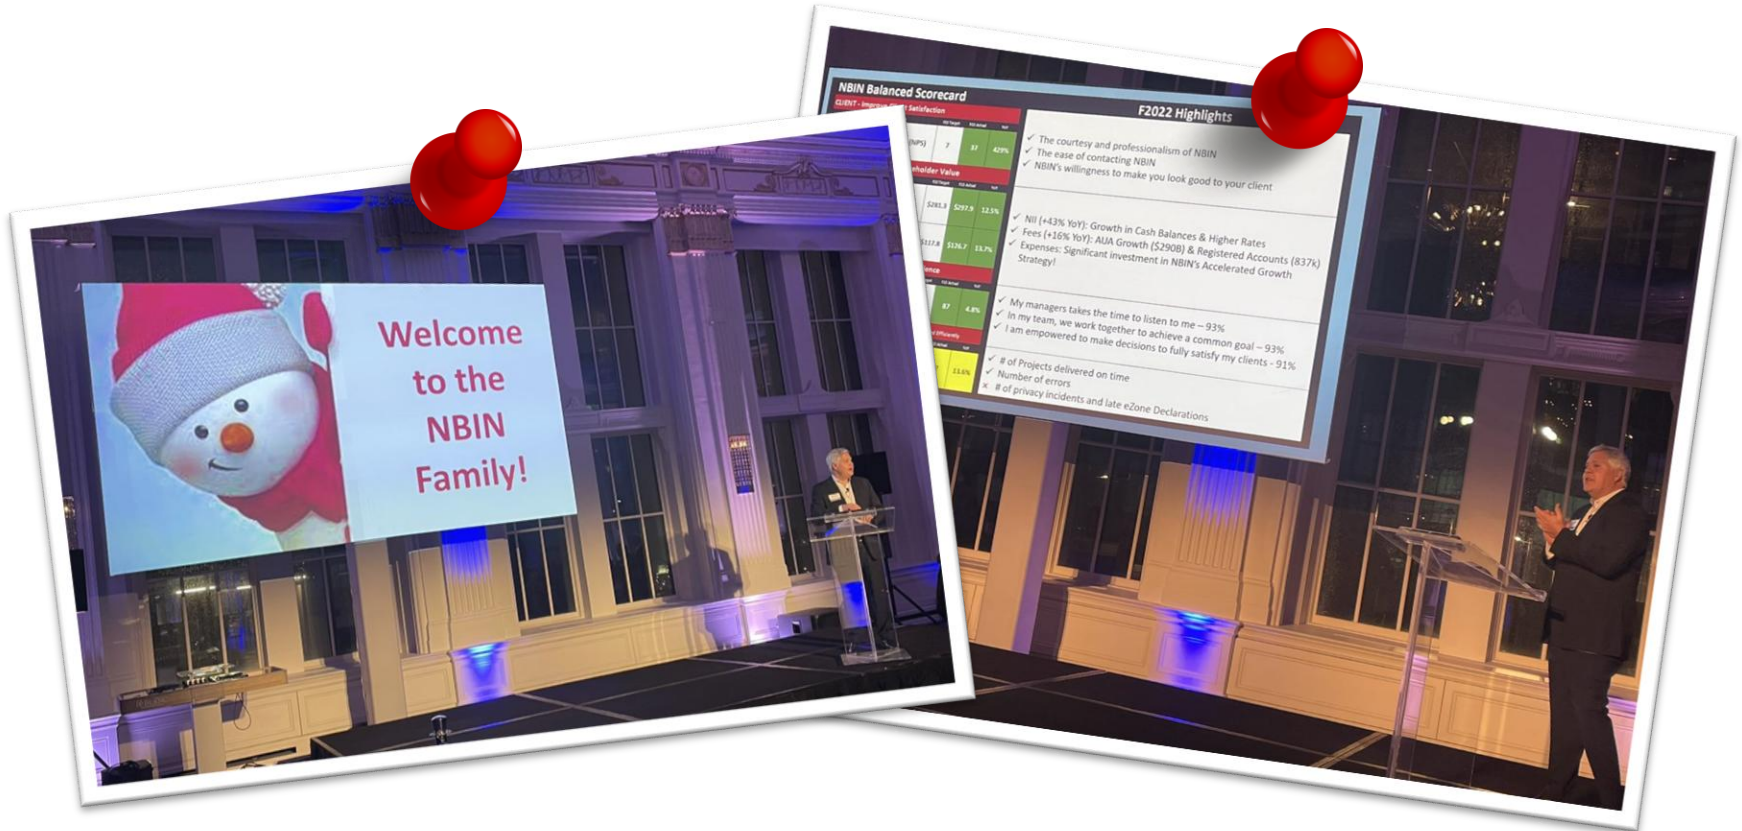

---

Focused approach:

1. Employee experience
2. Client experience
3. Revenue generation
4. Risk Management

# NBIN – Balanced Scorecard

# NBIN – Balanced Scorecard (2026)

---

## **Employee** **Enhance Employee Experience**

Join us in Vancouver or Toronto as Nicola Wealth's in house professionals share our strategy, what we expect this year and why we continue to believe in diversification beyond stocks and bonds amidst market volatility.

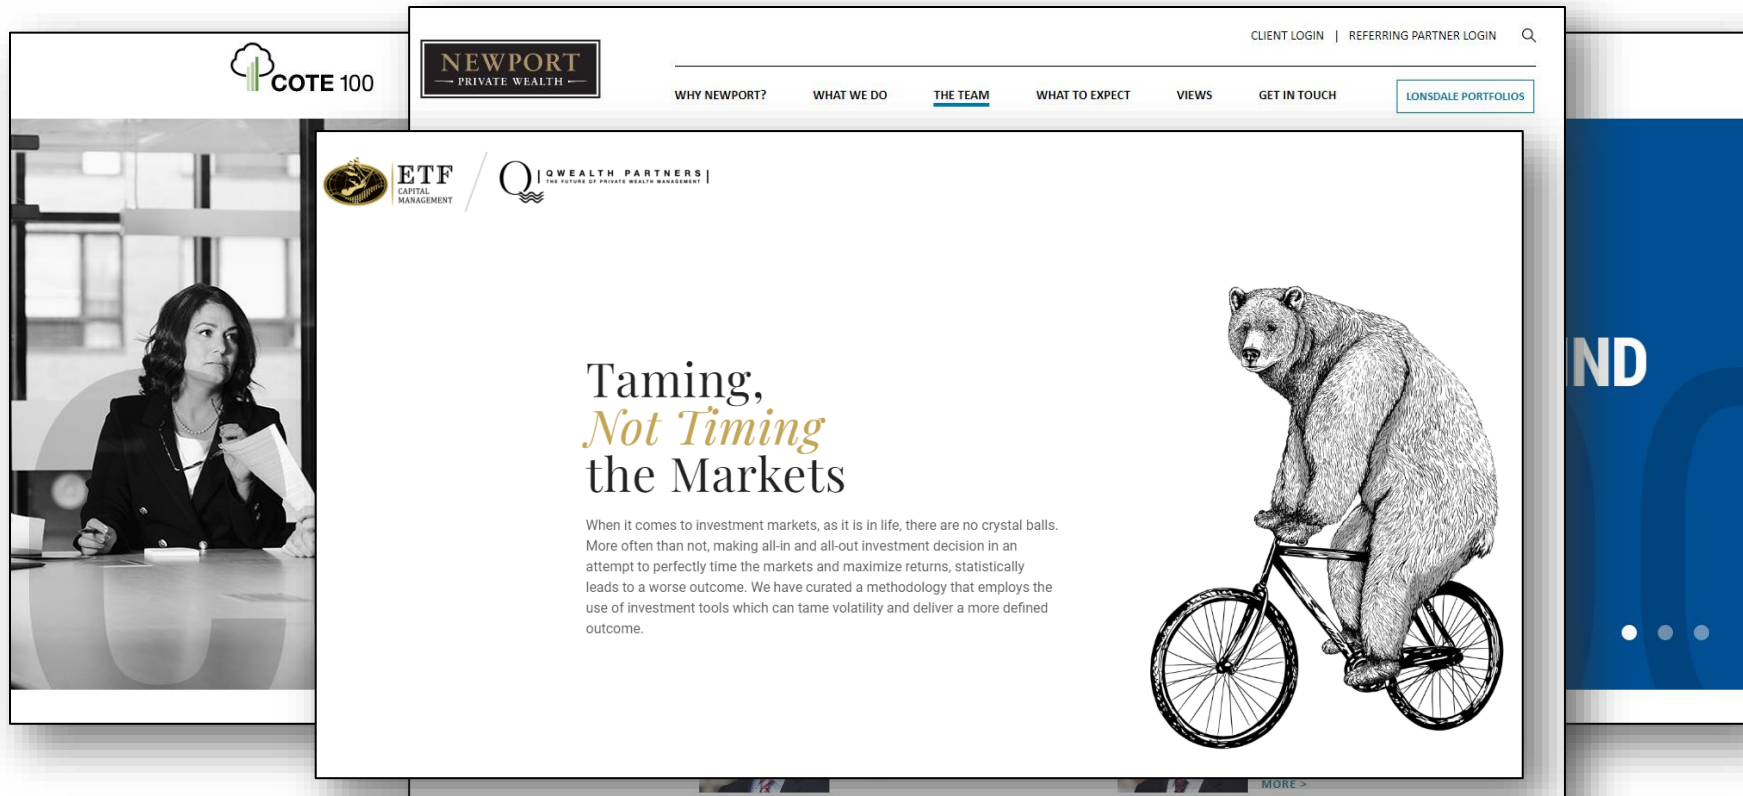

[Save Your Spot](#)

# Security. Clarity. Confidence.

Nicola Wealth provides bespoke services and asset management to affluent individuals, families, foundations, and institutions across Canada.

# NBIN – Client Types (IFM)

The screenshot displays the Newport Private Wealth website. The header includes the COTE 100 logo, the Newport Private Wealth logo, and navigation links for CLIENT LOGIN, REFERRING PARTNER LOGIN, and a search icon. A secondary navigation bar lists: WHY NEWPORT?, WHAT WE DO, THE TEAM (highlighted), WHAT TO EXPECT, VIEWS, GET IN TOUCH, and LONSDALE PORTFOLIOS.

The main content area features the logos for ETF CAPITAL MANAGEMENT and QWEALTH PARTNERS | THE FUTURE OF PRIVATE WEALTH MANAGEMENT. The headline reads "Taming, *Not Timing* the Markets". Below this, a paragraph states: "When it comes to investment markets, as it is in life, there are no crystal balls. More often than not, making all-in and all-out investment decision in an attempt to perfectly time the markets and maximize returns, statistically leads to a worse outcome. We have curated a methodology that employs the use of investment tools which can tame volatility and deliver a more defined outcome."

To the right of the text is a detailed illustration of a bear riding a bicycle. On the far right edge of the page, a blue vertical bar contains the letters "ND" and three small white dots.

|                                                                                                         | I consider customer and employee feedback to improve the experience.                               |   |   |
|                                                                                                         | I propose and try new ideas to simplify the ways of doing things.                                  |   |   |
|                                                                                                         | I continuously deliver solutions to ensure I quickly have a positive impact on clients.            |   |   |
|                                                                                                         | I learn from my mistakes and share what I've learned.                                              |   |   |
|                                                                                                         | I create opportunities to keep learning so that I can develop my full potential.                   |   |   |
| <br><b>Partnership</b> | I trust and collaborate with colleagues in all sectors to optimize the client experience.          |   |   |
|                                                                                                         | I use feedback and recognition to improve my impact and contribute to that of my colleagues.       |   |   |
|                                                                                                         | I am open and empathetic to my colleagues and clients, regardless of their status or differences.  |   |   |
|                                                                                                         | I listen attentively to clients and strive to go beyond their needs.                               |   |   |
|                                                                                                         | I am comfortable pointing out behaviours or practices that are not aligned with our values.        |   |   |
| <br><b>Empowerment</b> | I ask questions to make sure I'm contributing to the shared objectives to support our One Mission. |   |   |
|                                                                                                         | I propose solutions, participate in the debate of ideas and support the chosen alignment.          |   |   |
|                                                                                                         | I honour my commitments because I care about my relationships with my colleagues and clients.      |   |   |
|                                                                                                         | I am transparent with people, regardless of their line level.                                      |   |   |
|                                                                                                         | I take risks by weighing the impact of my actions.                                                 |   |   |

*What behaviours will you focus on?*
