Systems Overview

LEARNING OBJECTIVES

By the end of the training session, I will be able to:

- > List and describe the systems used by clients and employees
- > Promote WalkMe and its benefits to my clients
- > Identify the procedure to reset the different platforms access

Narrative

Onboarding

ONBOARDING

- > Allows users to open accounts **electronically**
- > Allows clients to **sign documentation digitally** using DocuSign
- > **Validates** inputs and **cascades** information
- > **Accelerates** account opening due to straight through processing
- > Allows users to **review account opening data** and trends

ONBOARDING

Applications **My Queue**

COMPASS – MY REQUESTS

The screenshot displays the COMPASS web application interface. At the top, a navigation bar includes the COMPASS logo, user information (Welcome, Calin Neagu), and links for My Profile, My Requests, and Sign Out. Below this is a red navigation bar with categories: ADMINISTRATION, RESEARCH & ANALYSIS, INVESTMENT PRODUCTS, and NBIN INTERNAL. A search bar for 'Search Documents' is also present.

The main content area features a 'Create Request' modal form. The form includes a link to view recent requests and a section for selecting the request type and subject.

Create Request

[Click here](#) to view Recent Requests, or create a new one using the form below.

Request type: ☒ General Question ☐ Investigation ☐ Instruction ☐ User Access

Subject: Other:

[Close](#)

Below the modal, there are several informational boxes and a table. One box states: 'You have no accounts that meet this criteria. Please review your RR codes associated with your profile for more details.' Another box notes: 'Note: Available margin is only applicable to margin accounts.'

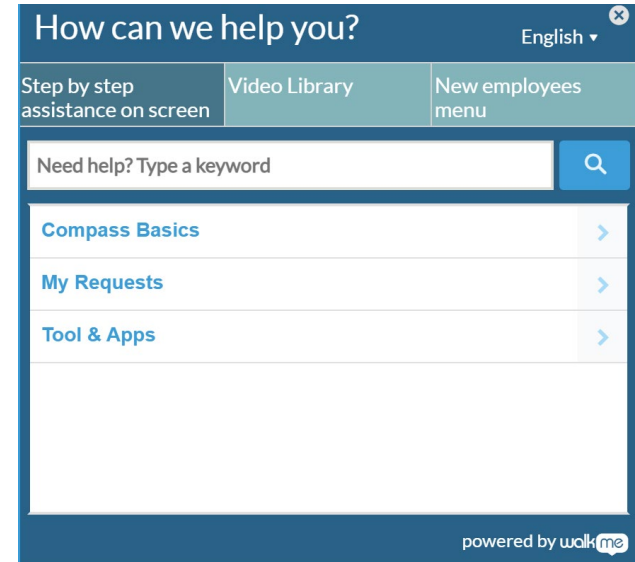

On the right side, there are promotional banners for 'N ACADEMY' and 'COVID-19 UPDATE'. A 'Compass Walk Me:' button is also visible.

At the bottom, there is a table titled 'Accounts' with tabs for 'RECENTLY OPENED' and 'TRANSFERRED IN'. The table has columns for account details.
